Come and find out more...

Open Evening – Friday 23rd March
19.30hrs at Parkstone Yacht Club

Complimentary refreshments

PYRA is an association of friendly, enthusiastic sailors based in Poole, who come together to race and socialise throughout the summer season.

A range of different boats and a range of experience make for an exciting mix of events - day races, weekends to the Solent, West Country and Cross Channel, with social evenings after the race with hospitality and prizes.

Anyone interested in racing, improving their skills and making new friends will be made very welcome.
