

Race No 8

PYRA Mystery Day Race 30/08/20 - See Red Book Amendment 4

What's the mystery? – the course you decide to take.

A single race in Poole Bay on Sunday, 30/08/20 - start time 12:00.

The start will be a Poole Bay Start. Following the start there will be a single windward leg to one of the marks listed below. This 'first mark' must be rounded to port.

Four additional marks will be broadcast in no particular order. All competitors must then 'round' each of the four marks listed, in an order of their choosing, either to port or starboard within two boat lengths of the mark.

Due regard must be taken for the Racing Rules of Sailing (RRS) 2017 - 2020 for boats passing in opposite directions at any time and specifically mark rounding.

Having rounded all of the four additional marks listed, all competitors should finish the race on the Poole Finish Line

Competitors are urged to download and use the 2020 Poole Bay race mark chart to aid navigation:-
